Abstract:

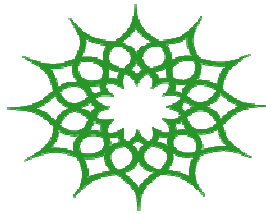

Sabet Ibn Jaber Ibn sufyan entitled to Ta'abbata sharran was poets of pre – Islamic era and included in sa'alik group. Although his life is not he accepted by anybody, but between his poetries we meet subjects which are very interesting and attractive and only specific to them.

Some of the sa'alik poem features are: the expression of self – respect, heart's speech, gun's description and microscoping in the nature.

Inasmuch Ta'abbata sharran was one of sa'alik elements and his poetry forms the considerable part of sa'alik poets. Regarding the importance of poetries in pre – Islamic poets era and acquaintance with their poem themes, it seems neccessary to provide a lexical dictionary of this poets Diwan. Also, researchers and Arabic and Persion literature students can easily access to meaning of words in his Diwan and some poets of sa'alik group and consume less of their time to looking up in dictionaries.

The present thesis is a dictionary for Ta'abbate Sharran Diwan. The method is used for words translation is that at first the mean or means of word mentioned and then referenced the verse that word is applied in it and next the related number and page (verse) is cited.

Key words: , pre-Islamic poetry, factores emerging sa'aliktheir poetries features, Ta'abbata sharran, lenical dictionary.
